

WEBCASTER **X2**

The simplest Facebook Live
and YouTube encoder

Stream to Facebook Live or YouTube

Toggling between them is simple, and Epiphan Webcaster X2™ remembers all your settings for both YouTube and Facebook Live.

Pro audio and video support

Stream any HD camera, mixer or display by connecting it to the Webcaster X2's HDMI in port. Connect any wired or wireless mic to your camera and get professional HDMI audio quality.

Live monitoring and interactivity

Monitor your live video and see viewer comments and reactions in real time. Simply connect a display to the Webcaster X2's HDMI OUT port.
